East Texas Country Fair

For the fourth consecutive year the East Texas Country Fair was a success, despite the rain.

Opening April 14, 1977, with the Doobie Brothers Concert, the fair continued all weekend with carnival rides, a circus and game booths sponsored by different campus organizations, townspeople, and faculty.

Also highlighting the fair was the musicians showcase of local talent, the annual chili cookoff contest and a lost and found auction.

Sylvans Take Top Honors

SFA Sylvans took top honors at the twentieth annual Association of Southern Forestry Clubs (ASFC) Conclave held April 14-16, 1977.

The foresters scored a total of 223.25 points in technical and field events, putting them in first place over 12 other schools entered.

In addition to receiving a trophy, the club was presented a chain saw donated by Floyd Tillis.

Events held during the conclave included log rolling, speed

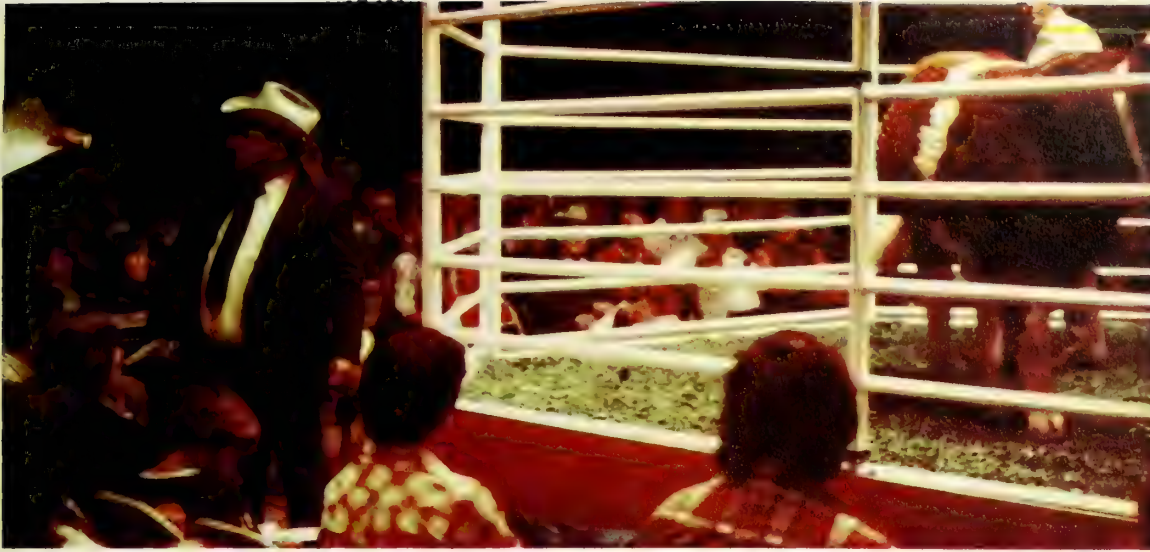

chopping, chain throwing, wood technology, photogrammetry, wildlife, compass and pacing, timber estimating and cross cutting.

Approximately 500 foresters from universities throughout the southern forest region attended the conclave.

Dr. Ray Hicks, director of research, served as special adviser for the conclave. Dr. David Lenhart, assistant to the Dean of Forestry, was Sylvan club sponsor.

State Fair

More than 300,000 people attended the 1977 Texas State Fair in Dallas. Among the crowd were 20 SFA students on a trip sponsored by the UC Recreation Committee.

Some of the attractions were the "Great Food Roundup," the Midway roller coaster — the largest in the South, the traditional merry-go-round with its 66 hand-carved horses, and the spectacular livestock show and auction.

'My Fair Lady'

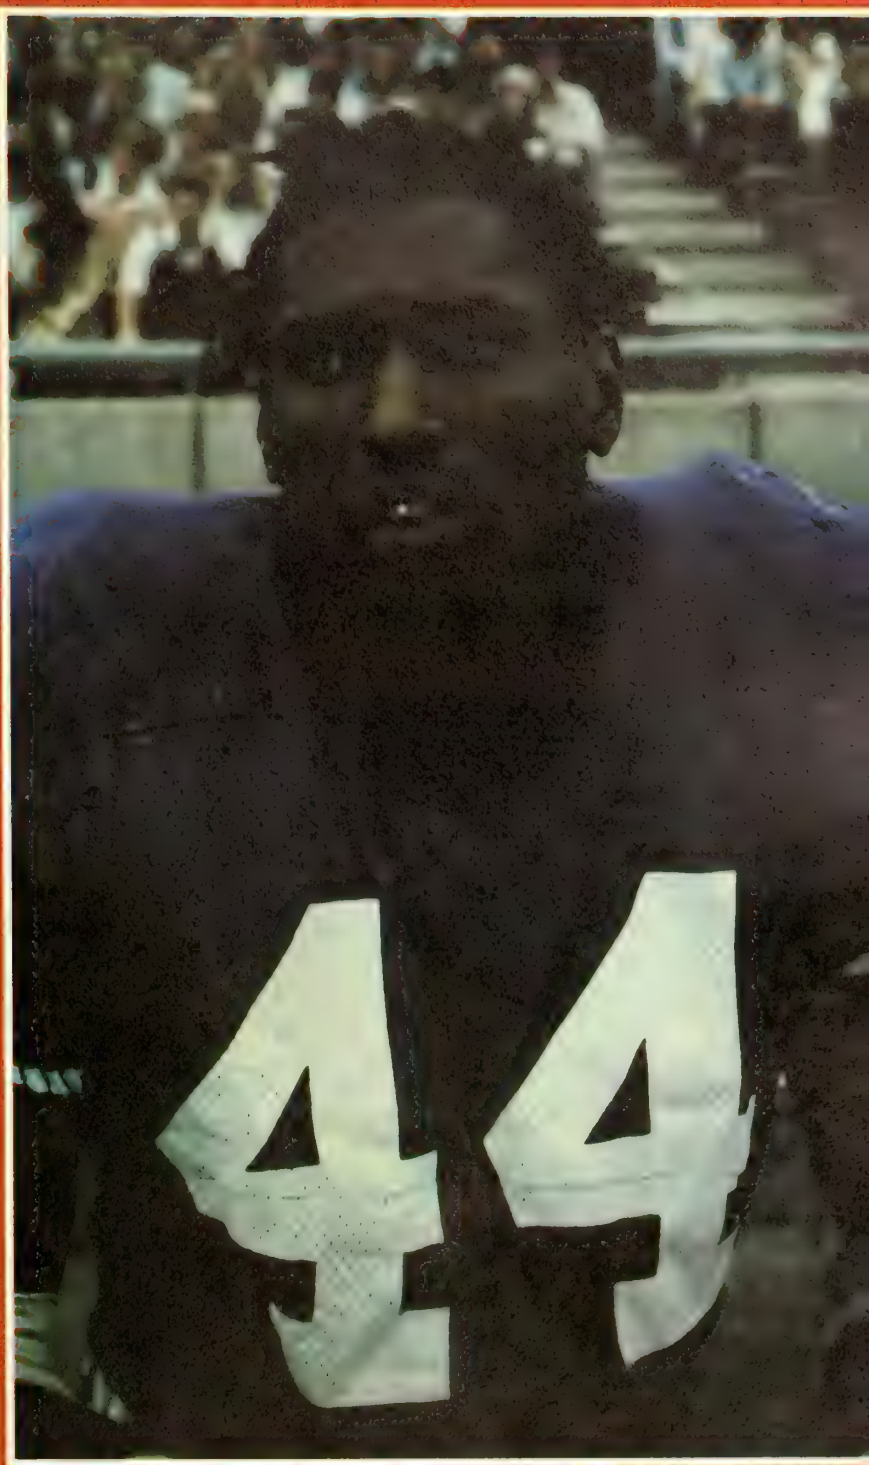

"My Fair Lady," the popular musical adaptation of George Shaw's comedy "Pygmalion," ran April 21 through April 23, 1977. The production represented the joint efforts of the theatre, music and the Women's Health and Physical education departments.

Starring in the production were Cathy Cote as Eliza Doolittle and Tim Haynes as Henry Higgins. Dr. William Turner, dean of the School of Fine Arts, produced and directed the music and Dr. Thomas Heino, head of the Department of Theatre was the production's director.

After 15 consecutive defeats the Lumberjacks out-ran, out-passed, and out-scored the Yellow Jackets of Howard Payne University. The day began with the traditional Homecoming Parade, and the afternoon brought the football game. Before a large crowd in Lumberjack Stadium, the Lumberjacks celebrated with a 31-3 victory.

“A Bash Odyssey” was the theme for this year’s University Center Bash. It was based on “Star Wars,” “Star Trek,” and “2001, A Space Odyssey.” To further the theme, the 12 UC committees created a nightclub — The Milky Way Bar, a Galactic Casino, presented Jetson cartoons and a Conehead Ring-toss.

Along with the floor shows and dancing robots, the committees judged students on their costumes and skits.

Linda Ronstadt

The Stephen F. Austin Yearbook, **The Stone Fort**, was first published in 1924 and has since then been produced annually. The Stone Fort derived its name from the old Stone Fort Museum, which is now located on the SFA campus as a historical symbol of Nacogdoches. The first yearbook staff was originally located in the Stone Fort Building, and thus decided to name its book **The Stone Fort**.

The Stone Fort, moved to SFA in 1936, was built in 1778 as a trading post. It served as the seat of government of the Eastern Province of Spain for three months in 1810 and was the sight of the first two newspapers published in Texas. Within its walls the oath of allegiance was administered by the Mexican government to James Bowie, Thomas Rusk, Sam Houston and David Crockett.

The Old Stone Fort was demolished in 1902 to make room for a drug store, then rebuilt in 1907 on the Nacogdoches High School campus. Several high school classes met in the building before it was moved to the SFA campus.

Today the Fort is widely recognized as a Texas tourist attraction.

Fine Arts Series

The 1977-78 Fine Arts presentations, which were held in the Griffith Fine Arts Auditorium, consisted of five exciting attractions, all of which possessed a broad audience appeal.

The Series included: Ballet Folklórico Mexicano, given on Oct. 25, in which a world wide company of 32 singers, dancers and musicians presented a colorful show of Mexican dance and song; The Robber Bridegroom, Nov. 15, a musical based on 1942 novella by Eudora Welty; Fred Waring and His Pennsylvanians, Feb. 9, a musical road show with the theme "Music, That's Entertainment."

Also, Don Pasquale, March 9, a musical story of a crusty old fool meddling in his nephew's love for a beautiful widow and Mame, April 20-22, a story of wild spirits bubbling in everyone who believes "life is a banquet."

Fall Carnival

"A Night of the Harvest Moon," the fall carnival sponsored by the UC Fair and Carnival Committee, was held Nov. 18 outside the University Center.

The UC Program Board chose the theme "A Night of the Harvest Moon" to create an atmosphere similar to that in Washington Irving's story of the Headless Horseman. The carnival served as one of the three money-making events that campus organizations are allowed during the year.

The carnival booths, located along South College in front of the UC between the Austin and Rusk buildings, consisted of food and game booths as well as an ice-sitting contest and a cake eating contest.

A hayride was also held to pick up people around the campus and bring them to the carnival. A jazz band played twice during the carnival followed by a disco street dance hosted by Eddie Driscoll.

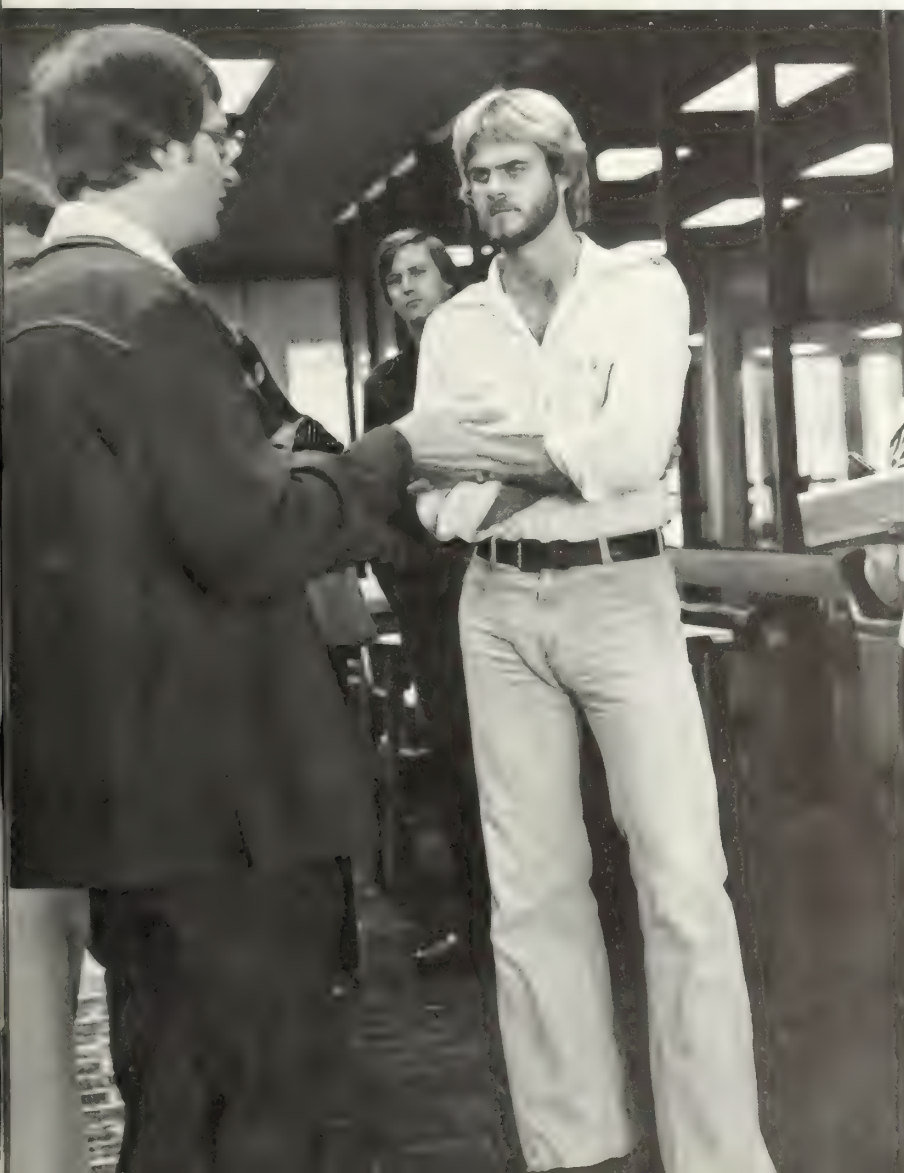

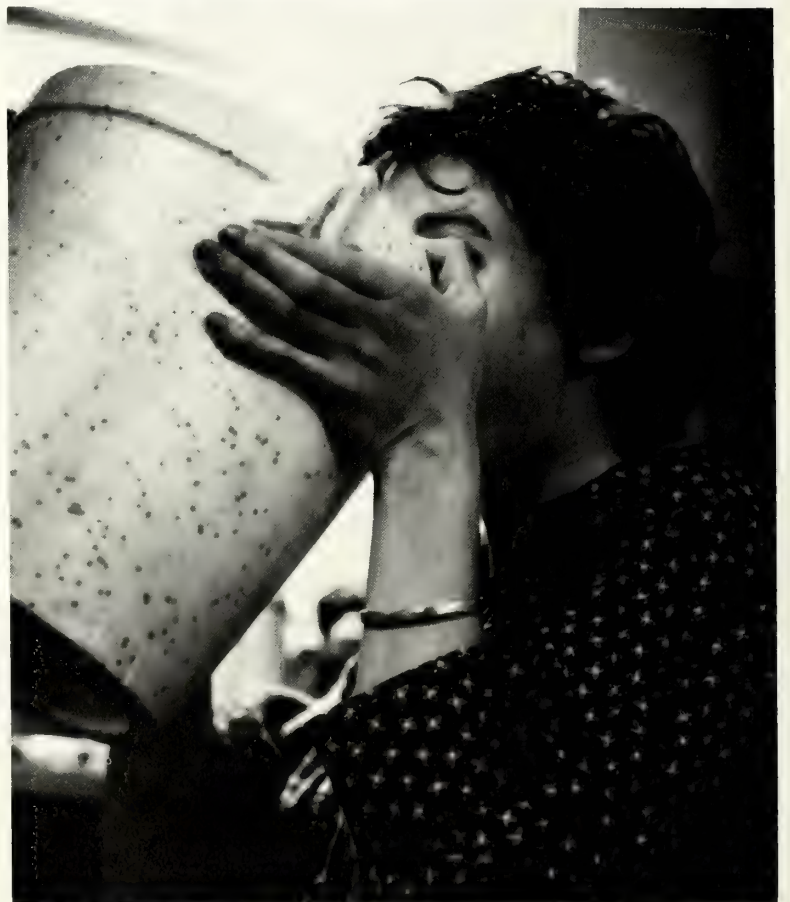

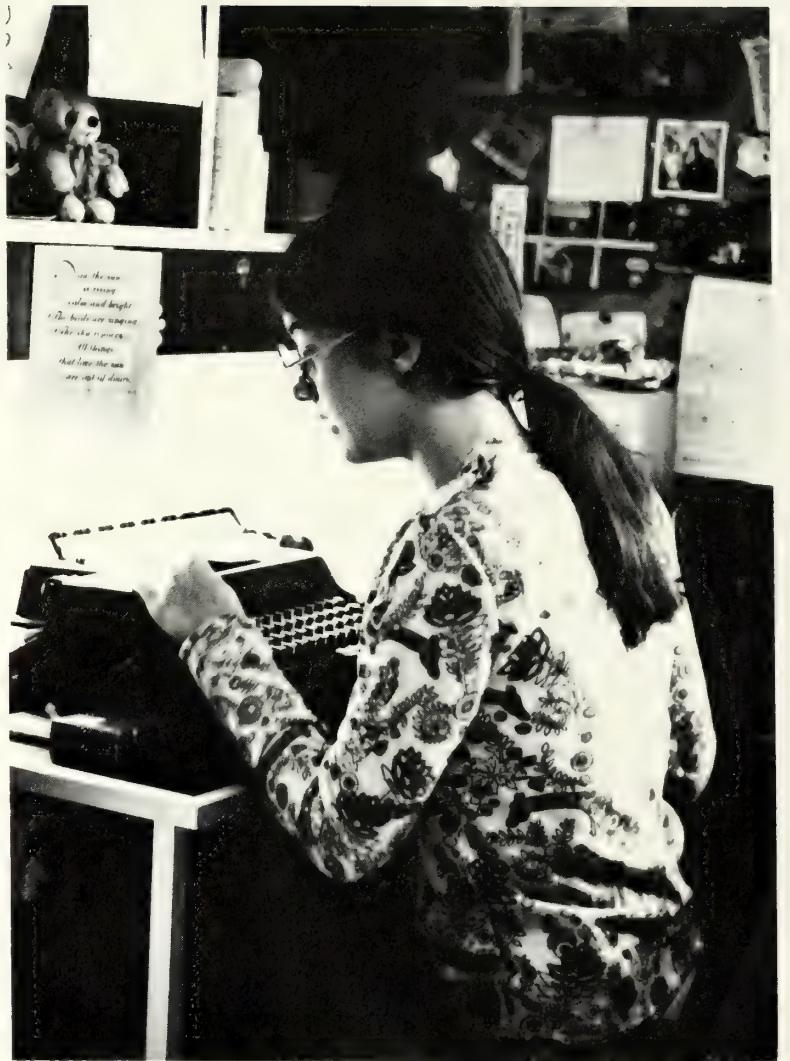

The purpose of the **Residence Hall Association** is to cooperate with residence hall governments in order to improve residence hall life through social, educational, legislative and judicial programs.

The activities sponsored by RHA are registration week programs such as a square dance, water olympics, the Lanana Tug-O-War and movies. Other activities include RHA roundup, Parents Day and outdoor dances.

The officers of RHA are Melanie Smith, president; Mike Wesson, vice president; Terri VanMeter, secretary; Terry Boatman, treasurer. Advisors are Mita Musick, director of residence hall programs, and Randy Alexander, assistant dean of student development.

Impromptu panty raids, sharing bathroom facilities, 90° rooms in winter and summer . . .

These, and many more like them, are just a part of one of the almost universal experiences on campus.

Living in a dorm.

Approximately 4,100 men and women occupied university housing this year, filling residence halls to capacity in the fall.

And most of these 4,100 involved themselves in almost unique activities.

From water balloon wars to protest marches for cooler rooms, residents occupied themselves.

Roommates learned to share everything from toilet paper to goodies from home, as well as tales of hot Saturday night dates.

Most of all, it was an experience in learning to get along with from two to 200 other people.

And one that most participants won't forget.

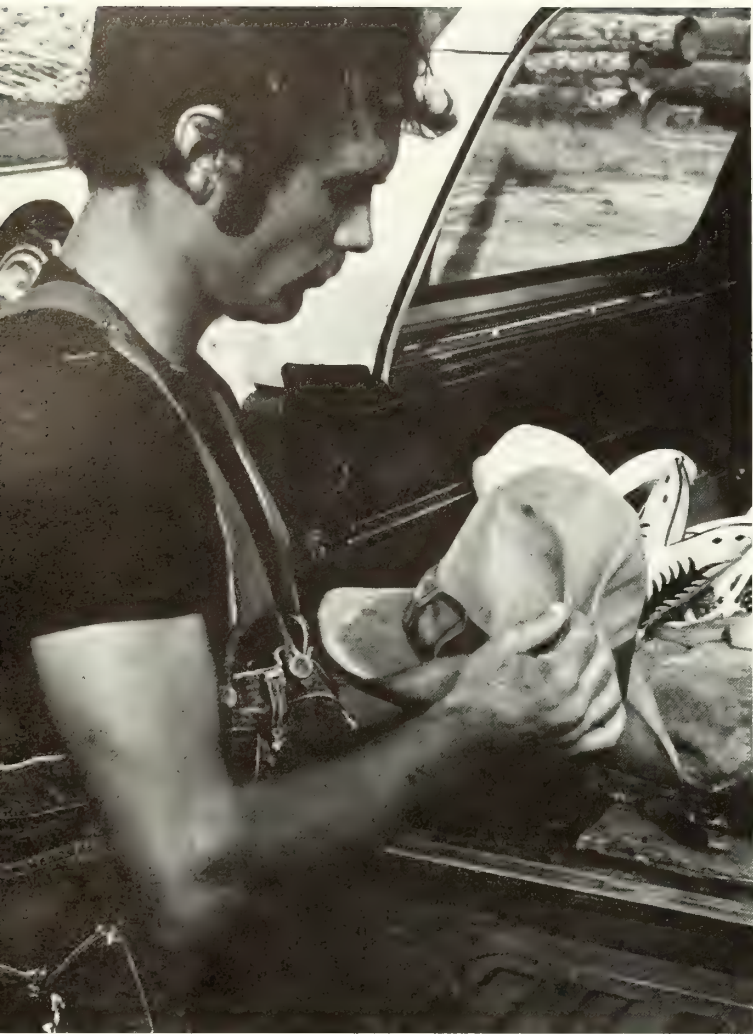

In Concert

The annual dance concert was presented by the Dance Production Company of SFA and the Department of Health and Physical Education. This year's production was a potpourri of dances ranging in style from the golden age of the movie, with their casts of thousands to abstract classical composition done to the music of Franz Liszt. Also, were such facets of dance as character, modern and jazz interpretations of classical and contemporary music. In addition, a selection from the Rodgers and Hart Musical "On Your Toes" was included.

Many of the compositions were choreographed by the advanced dance students, under the direction of Margeann McMillan. Don Dorman was guest choreographer for this season's production.

Go Rodeo

Snuff dippers and beer sippers, Greeks and independents and all those in between got a taste of the excitement. The SFA Rodeo Club sponsored events at the 3-Bar-H Rodeo Arena and the crowd indicated that it was a complete success.

Both men and women were eligible to participate in bronc riding, goat tying, wild cow milking, goat dressing and bull riding. No men entered the goat tying or dressing, but five women did enter the bull riding event.

From the proceeds, the club plans to establish scholarships for the Rodeo Team and to help with the team's traveling expenses.

Stone Fort Staff

The staff of the 53rd volume of the Stone Fort yearbook began work in March, 1977 to produce the 1978 yearbook. The Stone Fort, which was named after the Old Stone Fort building, symbolizes and attempts to portray student life in every aspect on the SFA campus.

In charge of laying out and producing the yearbook is the editorial board, which consists of Frank Burgin, Tom Cooper, Bill Poplin, Anne Rice and Dana Sneed. Yearbook adviser is Mary Ruth Dunlap, director of student publications.

Swimming is one of the activities and courses offered to students through the physical education program. The swim classes, which meet at the indoor pool in the Health and Physical Education Complex, include a teaching system which ranges from the fundamental techniques for beginners to the more advanced styles for experienced swimmers.

Classes are offered as physical education activity courses for any interested student.

The health and physical education complex was named in honor of Dr. Lucille Norton, who retired May 31, 1977, after serving 38 years as an SFA faculty member.

The official name of the building is the **Lucille Norton Health and Physical Education Complex.**

The complex houses all health and physical education courses and is open to students interested in recreational activities. In addition to an indoor swimming pool, the complex provides facilities for handball, racketball, badminton, basketball, volleyball, dancing and many other activities.

UC Special Interest Classes

are sponsored by and held in the University Center Monday through Thursday nights of each week and are designed to provide students with opportunities to participate in activities they enjoy. The classes, taught by faculty and students of the university, provide insight and knowledge into special areas and provide those enrolled in the classes with a chance to actively participate in these areas.

Special interest Classes include Meditation, Back Packing and Hiking, Chess, Volkswagen Repair, Exploring Your Other Side, Lamaze, Needlepoint and Wood Refinishing.

Also, Table Tennis, Pool, Canoeing, Beginning Bridge, Macramé, Square dancing, Recorded Jazz, Basic Photography and Exercise to Music.

SFA TV 2, the campus television station, offers students an opportunity to become acquainted with the field of television. Students make up the staff of SFA-2 which broadcasts 5 p.m. to 10 p.m. every two weeks. Programs consist of original films by SFA students, interviews, news and the classic cinema. Students gain experience in different aspects of the medium by rotating studio positions for each production.

Labs give students the opportunity to apply the general knowledge that they learn in the classroom to lab experience. In lab, students perform various experiments and studies that help them relate to their field of study. Each lab is designed to highlight various important principles.

'This is more fun than a rodeo'

The game of kiss-tackle is a modified version of spin the bottle. Approximately 50 students participated in the irregularly held games in the horseshoe between Halls 9 and 12. It was played once a week and usually one game a weekend.

Meanwhile, more than 100 residents on the west side of campus assembled between Mays Hall, Dorm 10 and Kerr Hall to participate in a water balloon fight. After about 15 minutes the water balloons were gone and people resorted to filling buckets, trash cans, plastic bags and water pitchers to throw at their opponents. Some even resorted to using ice water and shaving cream for ammunition.

Who knows? These may just become the sports that bring SFA fame and glory on the athletic field.

It is just as easy to wear cowboy boots and never ride a horse as it is to wear a lumberjack shirt and never cut a tree, but the Sylvans gave SFA students a chance to prove clothes do not make a person.

The club sponsored **Lumberjack Day** events for both independents and student organizations. Men and women competed in lumberjack skills which included knife and axe throwing, tobacco spitting, fire fighting, greased pole climbing, bow sawing and crosscut sawing.

Every once in a great while SFA is blessed by an unusual winter of snow.

It transforms an otherwise ordinary day into one of excitement and beauty.

Classes are the farthest from our minds and the day becomes a lesson in the artful dodging of snowballs, cars and dirty old men in swim suits.

There is nothing quite like the pines covered with snow, and even though East Texans are not accustomed to drifts of snow and ice we make the best of it, hoping all the while that it might snow for just one more day.

"Hi ho!" and off they go with horns blazing and cymbals crashing. **The Lumberjack Band** under the direction of Mel Montgomery keeps the excitement high during games, pep rallies, and parades.

Accompanied by the Twirl-o-Jacks and the flag line, the Lumberjack Band provided entertainment on the field with precision marching formations and in the stands with chants and cheers.

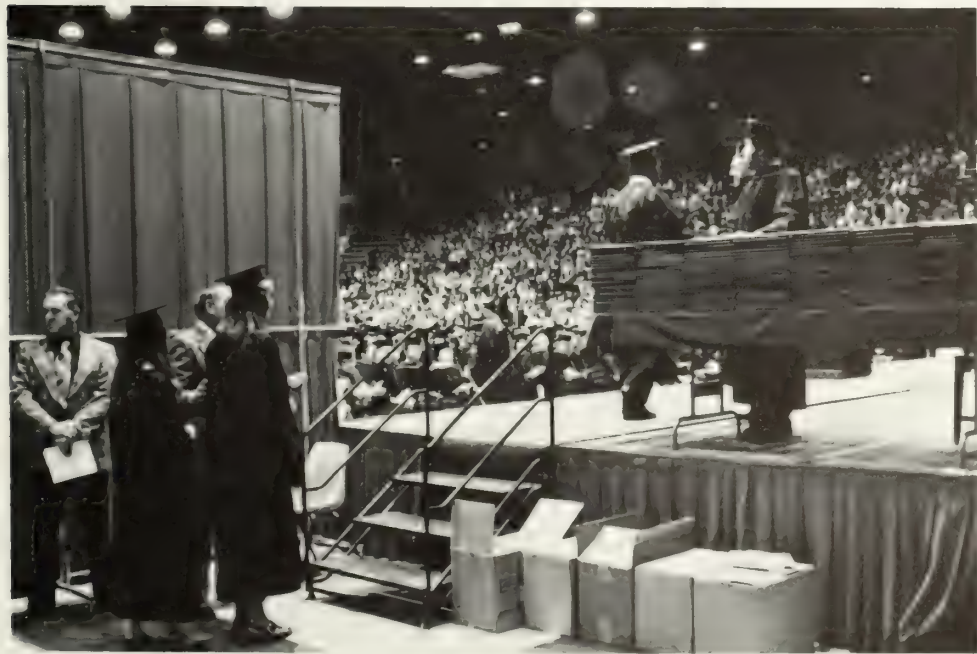

December Graduation

Fall commencement was held 10 a.m. Dec. 17 in the SFA Coliseum with approximately 670 students receiving degrees. Dr. Bill Franklin, vice president for academic affairs, was keynote speaker for the event.

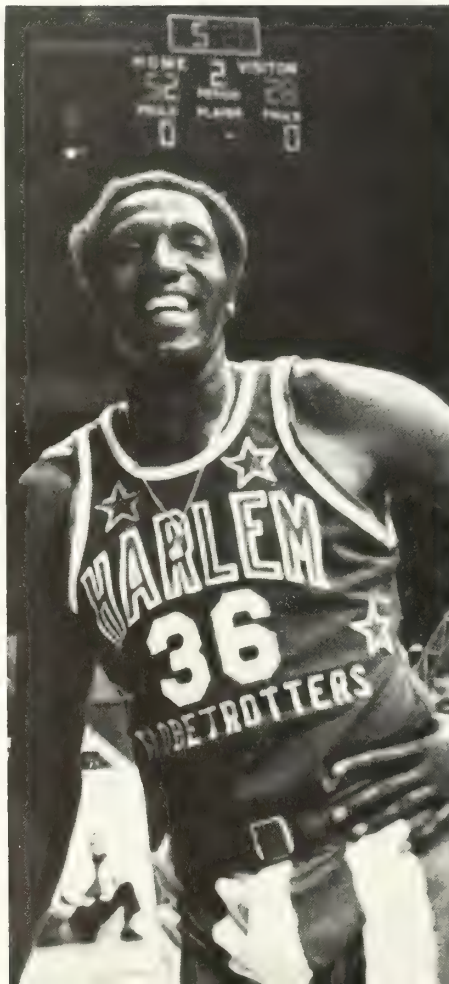

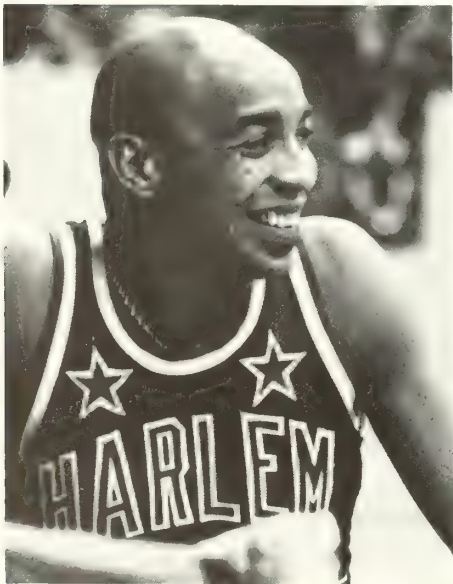

Highest ranking senior for the semester was Billie Kemper of San Antonio, with a 4.0 GPA, who received a bachelor of arts degree from the School of Liberal Arts.

Other students graduating with highest honors included Elizabeth Dunn, Ida Goss and Melinda Roberson, all of Nacagdoches; David Baskin, Ronald Boling and Karen Kru-chmeyer, all of San Antonio; Sheila Barga of Irving; Hilda Lopez of El Paso; Brenda Martin of Tyler; Beth Madden of Conroe; Deborah Zeigler of Dallas and Dorothy Overman of Hondo.

Misalliance

If the "Battle of the Sexes" is the most universal conflict to be found in comedy, then the "Battle of the Generations" must rank close to it. In the play "Misalliance" George Bernard Shaw deals with both. In "Misalliance" he demonstrates "a debate in one sitting" can be active, witty, and enjoyable.

The cast included Phil Allen, Carla Ford, Michael Hayes, Steve Horn, Doug Jackson, Mark Leeper, David Marcum, Andi Sparks, and Barbara Terrell.

"Misalliance" was under the direction of Dr. W. K. Waters, Professor of Theatre.

Mam'Selles

The Mam'selles is a University Center organization. Each fall approximately 80 girls audition to model in university fashion shows. Twenty-five girls are chosen by judges to be Mam'selles. Much time is spent by the models learning proper runway walking and make-up techniques so they will be prepared for the fashion shows. The different shows included a sportswear show in the UC, tea room modeling in the UC cafeteria, a fall show with the theme "Winter Romance and Peasantry," a western show at the East Texas Country Fair, and the most breath taking show of all was the Bridal Fair.

Derby Day was presented by the Sigma Chi Fraternity on Oct. 4-7, 1977. Included were a day of games, a Derby Chase, and Bottom Branding. The highlight of the events was the Derby Doll Beauty Contest and the awards presentation. The underlying idea is competition between sororities, calling for coordination, spirit and fun. All proceeds from Derby Day go to Wallace Village for Children in Broomfield, CO. The village was established to help children with Minimal Brain Damage and is entirely supported by financial contributions from Sigma Chi Fraternity.

The Muscular Dystrophy Dance Marathon was held for the fourth year by Alpha Chi Omega Social Sorority Feb. 17-18, 1978. SFA students danced for 24 hours, and were encouraged by Scott Nielson, the East Texas Poster Child, who visited and added enthusiasm to the 58 couples. By the time the last "Saturday Night Fever" song had been played there were 36 couples, 72 tired feet, and a feeling of gratification, because they had a part in helping Jerry Lewis raise money for "his kids."

"The Search of Self"

film series is a search for truth, purity, and love. Often frustrating and painful, it may also be rewarding. Always it is an intensely personal struggle to discover individual ideals. For this series, the UC Ideas and Issues Committee chose six provocative films, each an established masterpiece of cinematic art. These films portray very special people who are involved in the struggle, in the search of self.

Alpha Chi Omega was founded on the philosophy of providing an opportunity for women as a group to reach their goals both socially and academically. Founded on Oct. 15, 1855, their colors are scarlet and green, their symbol is the lyre, and their flower is the carnation. Alpha Chi now has a total membership of 87.

Each year the sorority sponsors a Dance Marathon for Muscular Dystrophy and last year they raised and donated \$8000. Their philanthropies are Cystic Fibrosis and Easter Seals.

The group has members involved in different campus activities such as Student Government, UC Committees, Intramurals, and Mam'selles. The Alpha Chis have been awarded the honors of first place in Greek Week and in Chi Omega Superstars, Spirit Award in Sigma Chi Derby Day, and Alpha Chi Omega National Rush Award. They also placed first place in intramural volleyball and water polo.

The Alpha Chi Omegas have little sisters in the following fraternities: Delta Sigma Phi, Alpha Tau Omega, Sigma Chi, Theta Chi, Pi Kappa Alpha and Kappa Alpha.

The Chi Omega Fraternity was founded at the University of Arkansas in 1895. The colors are cardinal and straw. The flower is the white carnation and the symbol is the owl. The Epsilon Zeta chapter was installed at SFASU on Dec. 7, 1963. The chapter currently has 96 members and is the largest Greek organization on campus. Although it is large, the unique quality of Chi Omega is the close-knit sisterhood.

The Chi Omegas have two service projects each year. The spring service project is the Chi Omega Superstars Charity Track Meet. The money raised is donated to cancer research. During the holiday season the chapter gives a party for the children at Rusk State Hospital.

Chi Omegas are represented in Intramurals, Mam'selles, Flagline, and Twirl-O-Jacks. They are also represented as Miss Nacogdoches and the SFA Homecoming Queen.

The Spring Pledges won the Silver Scholarship Tray for having the highest GPA and the Chi Omegas won the Sweepstakes Award at the second annual Sigma Chi Derby Day.

ACACIA

Scholarship, fraternal brotherhood, and human service are some of the priorities of ACACIA fraternity, which received its charter at SFA April 27, 1975.

The fraternity colors are black and gold and their flower is a sprig of acacia in bloom. The ACACIA Order of the Delphi is the group's auxiliary organization.

The annual Founder's Day Formal is held each spring, traditionally in May. Also in the spring, the ACACIA chapters in Texas and Louisiana tour the Shriners' Burn Institute in Galveston, where the fraternity members donate blood. After the tour, the trip often becomes a social event, including parties and softball competition between various chapters represented.

Zeta Tau Alpha

Zeta Tau Alpha was founded at Longwood College Va., in 1898. It is the only fraternity ever chartered by a special act of the Virginia Legislature.

Zeta Tau Alpha is the newest member of the Greek organizations at SFA. The Theta Eta Chapter was chartered on March 19, 1977. The group has grown to include 51 members, 16 of which are pledges. Zeta Tau Alpha's colors are turquoise blue and steel grey (silver); their flower is the white violet. Members of ZTA are involved in different campus activities such as intramural water polo, volleyball, and softball; University Center Committees, Band, Flagline, Honorary Fraternities, and Business Sororities. Their special events include Founders Day Celebration, Big Sis-Lil Sis Retreat, Dating Game, and Halloween Serenade.

The Zeta Tau Alpha's service projects are Heart Fund Blood Drive, Dating Game, and they also visit old folks homes. Their philanthropy donation goes to the National Association for Retarded Citizens.

Sigma Phi Epsilon

The second largest fraternity in the nation, Sigma Phi Epsilon was founded in Richmond, Virginia, in 1901. The local chapter was founded on January 17, 1976, and now has 29 members. The colors are purple and red for the violet and the rose respectively. "Virtue, diligence and brotherly love" is the motto of the fraternity. The group lived up to its motto this year through their service projects by contributing to the American Heart Fund and participating in the March of Dimes Walkathon. They also participated in the Tri-State Softball Tournament in Arlington this year.

The group has 15 little sisters and the fraternity's social activities include a banquet in December for parents and alumni, in addition to parties throughout the year and a Red Garter Ball in the spring.

Alpha Tau Omega was the first fraternity founded in 1865 after the War Between the States and is based on principles designed to bring a war-torn country back together.

The group's colors are sky blue, green, and gold; the white rose is the flower. Chartered on the SFA campus in 1969, the fraternity has 51 members and 15 fall pledges.

The ATOs participate in the Heart Fund Drive in the Spring when the fraternity collects money from the residents of Lufkin and Nacogdoches. Also, the ATOs have 17 little sisters who help the fraternity in various functions.

The ATOs have the highest GPA of fraternities at SFA.

Sigma Tau Gamma

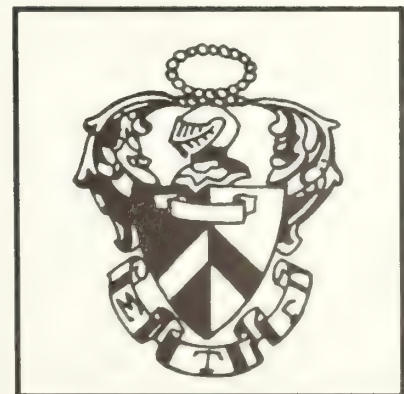

The Gamma Phi chapter of Sigma Tau Gamma was founded at SFA in 1970. Originally the fraternity was established at Central Missouri State Teachers College on June 28, 1920. Their colors are blue and white and the flower is the white rose. The groups' national slogan is "Sigma Tau Gamma has something to give."

The Sig Tau's service projects for this year included Y.W.C.A. cleanup projects, Muscular Dystrophy Telethon, and joint cooperation with Nacogdoches Historical society. Their philanthropy goes to the National Heart Fund. The Gamma Phi chapter has been selected to be the host of the 1978 Grand Chapter meeting in Dallas.

The fraternity has twelve little sisters who are known as "the Roses of Sigma Tau Gamma." The sweetheart or the "white rose" is Mila Phelps.

The group's special events include the White Rose Ball, Founders Day Celebration, and a summer barbecue.

The Zeta Phi Beta Sorority was founded in 1920 at Howard University, Washington, D.C. It was the first Black sorority to establish a chapter in America. The objectives of Zeta Phi Beta are scholarship, finer womanhood, and sisterly love. Zeta Phi Beta Sorority and Phi Beta Sigma Fraternity were the first Black Greek brother and sister organization.

The Psi Delta Chapter of Zeta Phi Beta has been on campus since 1973. In these few years the sorority has made major accomplishments towards helping the needy, promoting sisterhood, and working toward scholastic attainment for a better university and Greek system.

Zeta Phi Beta colors are royal blue and white and their flower is the white chrysanthemum.

The Zeta Psi Chapter of Delta Zeta was founded at SFA in 1963. Over the years, Delta Zeta has grown to its present 83 members. Of these, 51 are actives and 32 are pledges from a very successful fall rush. The sorority colors are rose and green, and the Kilarney rose is their flower.

The Delta Zetas participate in many activities and clubs on campus. Intramurals, fraternity little sister organizations, honorary fraternities, and holding positions in Student Government are only a few of the activities that keep the Delta Zetas busy.

A special event of the Delta Zetas is the State Day Convention. Every chapter in Texas meets in the spring of each year. Last spring the Delta Zetas were honored to receive Pride of the Province, Best Rush Chairman, Best Pledge Trainer and Best Chaplain awards.

Delta Zeta is the only sorority on campus with Big Brothers. They are elected by popular vote and in the spring, a beau is announced at the formal.

Although the chapter has many social activities, they also devote time to service projects. The Galaudet College of Speech and Hearing is the sorority's main philanthropy.

Phi Delta Theta

Phi Delta Theta is the largest social fraternity in the nation. It was founded in 1848 at Miami University as part of the Miami Triad. The SFA chapter was founded in 1962 and now has a membership of 42 actives and 12 pledges.

The flower of Phi Delta Theta is the white carnation and the colors are azure and argent. Nancy Strawn is the chapter sweetheart and Dr. Calvin Hines is the faculty adviser.

In addition to various social activities during the year, the Phi Delts have a community service day each Spring, give a homecoming party for the Phi alumni, and have an annual Spring Formal. This year the Phis had their annual Christmas Party at Fairway Farms in San Augustine.

The Phis won the intramural football championship and made the playoffs in water polo and in basketball. The group is very active in campus activities and holds several offices in campus organizations.

Delta Sigma Phi

Delta Sigma Phi was formed in 1960 from the 33 year old Sawyer Social Club, as the first national fraternity at SFA. The symbol of the Sawyers, known for their spirit at the Lumberjack football games, was the axe handle. The spirit of the Sawyers lives today as the Delta Sigs and their axe handles.

Their colors are green and white and their flower is the white carnation. Each spring the Delta Sigs have a Dream Girl formal. They are also active in intramurals and various campus activities.

Theta Chi

The Theta Chi fraternity was founded nationally in Norwich, Vermont, in 1856. The SFA chapter was chartered on May 20, 1961, and now has 44 actives and 16 fall pledges. The colors of Theta Chi are red and white and the flower is the red carnation.

The 1977 campus awards include second highest scholastic average of campus fraternities, a class favorite, second place overall in intramural points, four class officers, and four members of student government. Mr. SFA has been a Theta Chi for the past six years.

Theta Chi also participates in many extra-curricular activities including a homecoming cannon pull from Lufkin to Nacogdoches and the Muscular Dystrophy Dance Marathon.

Traditionally, Theta Chi ends their year with the Red and White formal. It was held in Austin last year and Rhonda Rhodes was chosen sweetheart.

University Center Program Board

The University Center Program Board works to serve the SFA campus by providing a variety of concerts, movies, coffeehouses, speakers and other activities of interest to SFA students.

Fair and Carnival Committee

The primary function of the fair and carnival committee is to plan and coordinate the East Texas Country Fair and other carnivals on the SFA campus.

Cinema Arts Committee

You may not get a starring role in a new movie because of the experience of being a member of the University Center Cinema Arts Committee, but you will have a good time.

Bringing movies like "Silver Streak," "All the President's Men," "Blazing Saddles," "Romeo and Juliet," "Mr. Billion," "Jeremiah Johnson," "Dr. Zhivago," "Wizards," "The Omen," "The Towering Inferno," and "Mash," members also help in selecting door prizes and running the projectors.

Special Interest Committee

The Special Interest Classes give a chance for students to pursue extra curricular activity that is not part of the normal courses offered. It provides entertaining and educational classes such as Silk Screening, Cake Decorating, Assertive Training, Snooker, Meditation, Beginning Guitar, Basic Photography, and Breadmaking.

The committee strives to give students a chance to develop their personalities as well as their minds.

The **Publicity Committee** of the University Center works to make public the many functions of the Center. The committee gives students an opportunity to practice their skills while publicizing university events.

The **Ideas and Issues Committee** seeks to keep SFA students informed of events of national and local interest by bringing speakers such as Ron Nessen to speak on campus.

The **Fashion Committee** gives interested students a chance to be involved in the planning and organization of a variety of fashion events.

The **Food Service Committee** strives to achieve excellence in all the SFA food services, and has been responsible for cafeteria decorations, special dinners, ice cream sundaes, breakfast for dinner, and other innovations.

The **Communication Committee** is responsible for writing press releases for the school, local and area newspapers, making radio spots, doing television interviews on behalf of the University Center and other activities.

The Hospitality Center Committee

promotes activities that encourage unity of SFA students and faculty members.

The Technical Committee

provides operation and maintainance of all technical equipment such as the public address system, spot lights, film projectors and others.

The **Recreation Committee** provides SFA students with the opportunity to canoe, backpack, play pool, play spades and even cook.

Sub committees on travel, outdoor recreation and tournaments enable the committee to provide a wide variety of activities.

The **Performing Arts Committee** provides good concerts with good quality music. The job of the committee is to get all the behind-the-scenes work done so the concerts will be successes. Making phone calls, contacting press agents and selling tickets are just a few of the tasks that this committee does.

Gamma Sigma Sigma

The Gamma Theta Chapter of Gamma Sigma Sigma began as Gamma Phi local sorority in 1967. In May, 1970, the group received its charter from Gamma Sigma Sigma National Service Sorority.

The purpose of the sorority is to assemble college and university women in the spirit of service to humanity.

Some of the group's activities include: the March of Dimes

Walk-a-thon, collecting for the United Fund, working at the Nacogdoches Treatment Center and making tray favors for local hospitals.

The Members also participate in social events such as a pledge-active field day, an alumni tea, and an awards banquet at the end of the school year.

Charles W. Simmons' second season as head football coach and athletic director showed signs of progress of a successful athletic program being established.

The Houston Oilers, professional football team, opened their pre-season training camp at SFA during July. O.A. "Bum" Phillips, head coach of the Oilers, said, "Stephen F. Austin has the best college football facilities I've seen."

The SFA Lumberjacks are affiliated with the National Association of Intercollegiate Athletics (NAIA) and the Lone Star Conference (LSC).

Coach Simmons is assisted by Mart Crawford, assistant athletic director and linebacker coach; Lynn Graves, defensive line coach and tennis coach; John Hawkins, offensive line coach and golf coach; and Tom Flood, offensive backfield and track and field coach.

A young football team faced a tough schedule with six of

the ten teams it faced ranked in the NAIA top 10 and another team an NCAA divisional national champion. Just like the previous six years, the LSC again produced the NAIA national champion. But this year it was Abilene Christian University.

Key injuries also plagued the inexperienced Lumberjacks. Herby Baker, sophomore quarterback, was less than 100 percent due to a shoulder separation that occurred early in the year. W. T. Gilbert, junior fullback, suffered a broken ankle during the Northwestern game. Bobby Mitchell, junior tailback, had his shoulder dislocated in the second to the last game of the season.

Simmons' biggest challenge for next year will be rebuilding the offensive line which lost five starters to graduation. Simmons has acquired some transfer students who he said will add depth and overall quality.

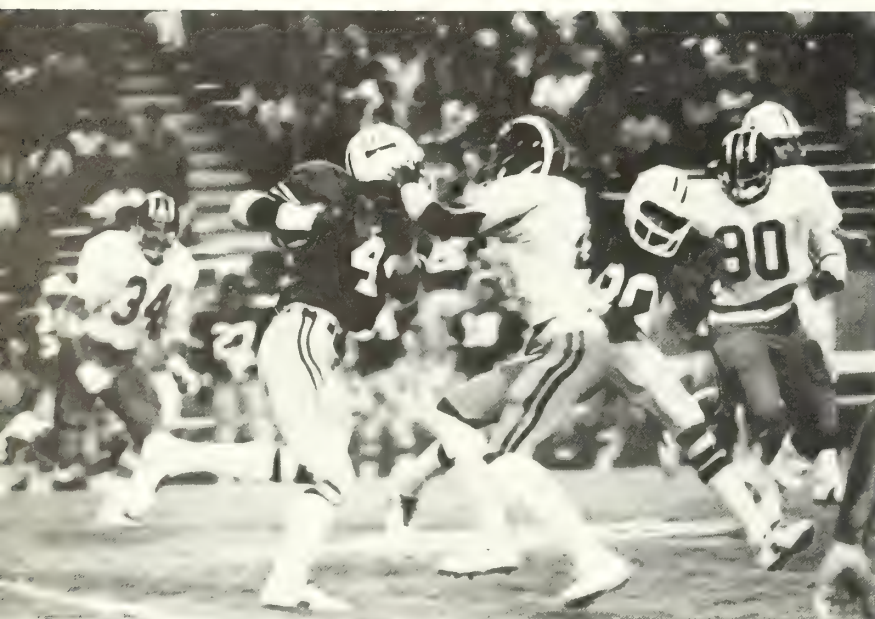

Individual Honors

SFA placed two members on the All-Lone Star Conference first team. Larry Scholtz, Austin senior, was placed in the center position. Rick Kinsey, Pasadena freshman, was named to the punter's position. Lloyd Langston and Charles Farrell were named to the second team as defensive lineman and offensive tackle, respectively. Ron Haynes and Gifford Coles were given honorable mention.

Bobby Mitchell Jr., tailback from Big Sandy, won the Lone

Star Conference rushing title with an average of 108.7 yards gained per game. Mitchell was also named Lone Star Conference player of the week for his record breaking performance in SFA's Homecoming game against Howard Payne. Mitchell, who finished in second place for kickoff returns, was also named to the Lone Star Conference Honorable Mention Team.

Cameron State

The SFA Lumberjacks opened the football season at home against the Cameron State Aggies, Sept. 10. The young SFA team hurt themselves with turnovers that Cameron capitalized on. Most of the scoring came in the way of big plays. Cameron scored with a 50-yard touchdown pass and a 78-yard run. SFA scored on a 37-yard pass from quarterback Mike Olle to wide receiver Ricky Roberson.

SFA 7, Cameron 24.

Henderson State

The Lumberjacks traveled to Arkadelphia, Ark., Sept. 17 to play the Henderson State Reddies. Henderson returned nine defensive starters to this year's team that had shut out seven of ten opponents during the previous season.

Bobby Mitchell, SFA tailback, had six kickoff returns for a total of 183 yards, establishing a Lone

Star Conference record. The SFA defense played well through three quarters, holding Henderson within striking distance. The offense, however, seemed too sporadic after a drive fell short on a fourth down play at the goal line in the first quarter.

SFA 7, Henderson 30.

Northwestern

The Lumberjacks showed some offensive punch on the opening series of plays as they took the opening kickoff and drove down to the Northwestern 48 where Bobby Mitchell took a handoff and slid off tackle for an exciting touchdown run. In the annual "Battle of Chief Caddo," Northwestern

was favored by 41 points going into the game, but was held to three points in the second half after taking a 17-6 halftime lead. W. T. Gilbert was lost for the season with a broken ankle suffered during the second half.

SFA 6, Northwestern 20

Angelo State

The Angelo State Rams shut out the Lumberjacks 14-0 in the first Lone Star Conference game of the season. The Jacks had drives killed at the Ram 5 when a field goal attempt was blocked in the first quarter and, at the start of the third quarter, on the 12 yardline when the ball was fumbled away. Ironically, this was the only fumble the Jacks lost during the entire game.

SFA 0, Angelo State 14

Texas A&I

The Texas A&I Javelinas, NAIA National Champions for the past three years, had compiled an unbeaten string of 43 games with one tie, prior to the match with SFA.

Trying to break the 12-game losing streak of the Jacks, SFA held A&I to a 15-8 lead until the final quarter when the Javs proved too powerful. The Jacks played their best but it wasn't enough for the Javelinas.

SFA 8, A&I 36

Southwest Texas

The third conference game of the season against the Southwest Texas Bobcats was probably the toughest defeat of the year for SFA. The Jacks had seven plays inside the SWT 10-yard line within three minutes on the clock, but could not punch the ball over to take their first win of the season. SFA took an early first quarter lead on an end around by Ricky Robertson but SWT tied it up in the second and took the lead in the fourth over the Jacks.

SFA 9, SWT 14.

Abilene Christian

Abilene Christian University, NAIA national champions for the year, showed their power over the hapless Lumberjacks in the fourth conference game as they took a 28-0 halftime lead. The second half, however, was all SFA as they scored 21 points in a showing that proved to have a lot of class. The first half deficit was too much for the Lumberjacks though. Bobby Mitchell was a workhorse as he carried the ball 32 times, setting an SFA record.

SFA 21, ACU 35.

Homecoming 1977

In a true homecoming spirit, the Lumberjacks came out onto the field Nov. 5 and quickly jumped to a 7-0 lead. Howard Payne University came back and scored a field goal but these were the only points the Jacks gave to the unlucky Yellow Jackets that afternoon in a fine defensive performance.

The offense was not through for the day though. Bobby Mitchell scored his second touchdown of the day for a 14-3 halftime lead. The score remained at that throughout the third quarter.

Mitchell, in his finest performance as a Lumberjack, took a handoff early in the fourth and broke loose for a 72-yard

touchdown run. He finished the day with 181 yards on 27 carries and two pass receptions.

Not alone as a star, Ed Barry added a 42-yard field goal and Paul Hood, freshman running back, scored from one yard out to cop the scoring at 31 points.

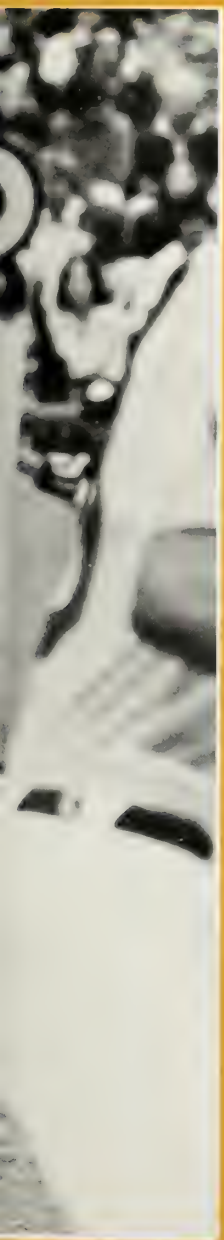

Herby Baker, sophomore quarterback, also had a fine day completing a 9-15 for 129 yards.

Andy Wilkens made a catch of a Baker pass to set up the first score. Free Safety Gifford Coles, freshman, made two interceptions and five tackles.

SFA 31, Howard Payne 3.

Homecoming 1977

East Texas

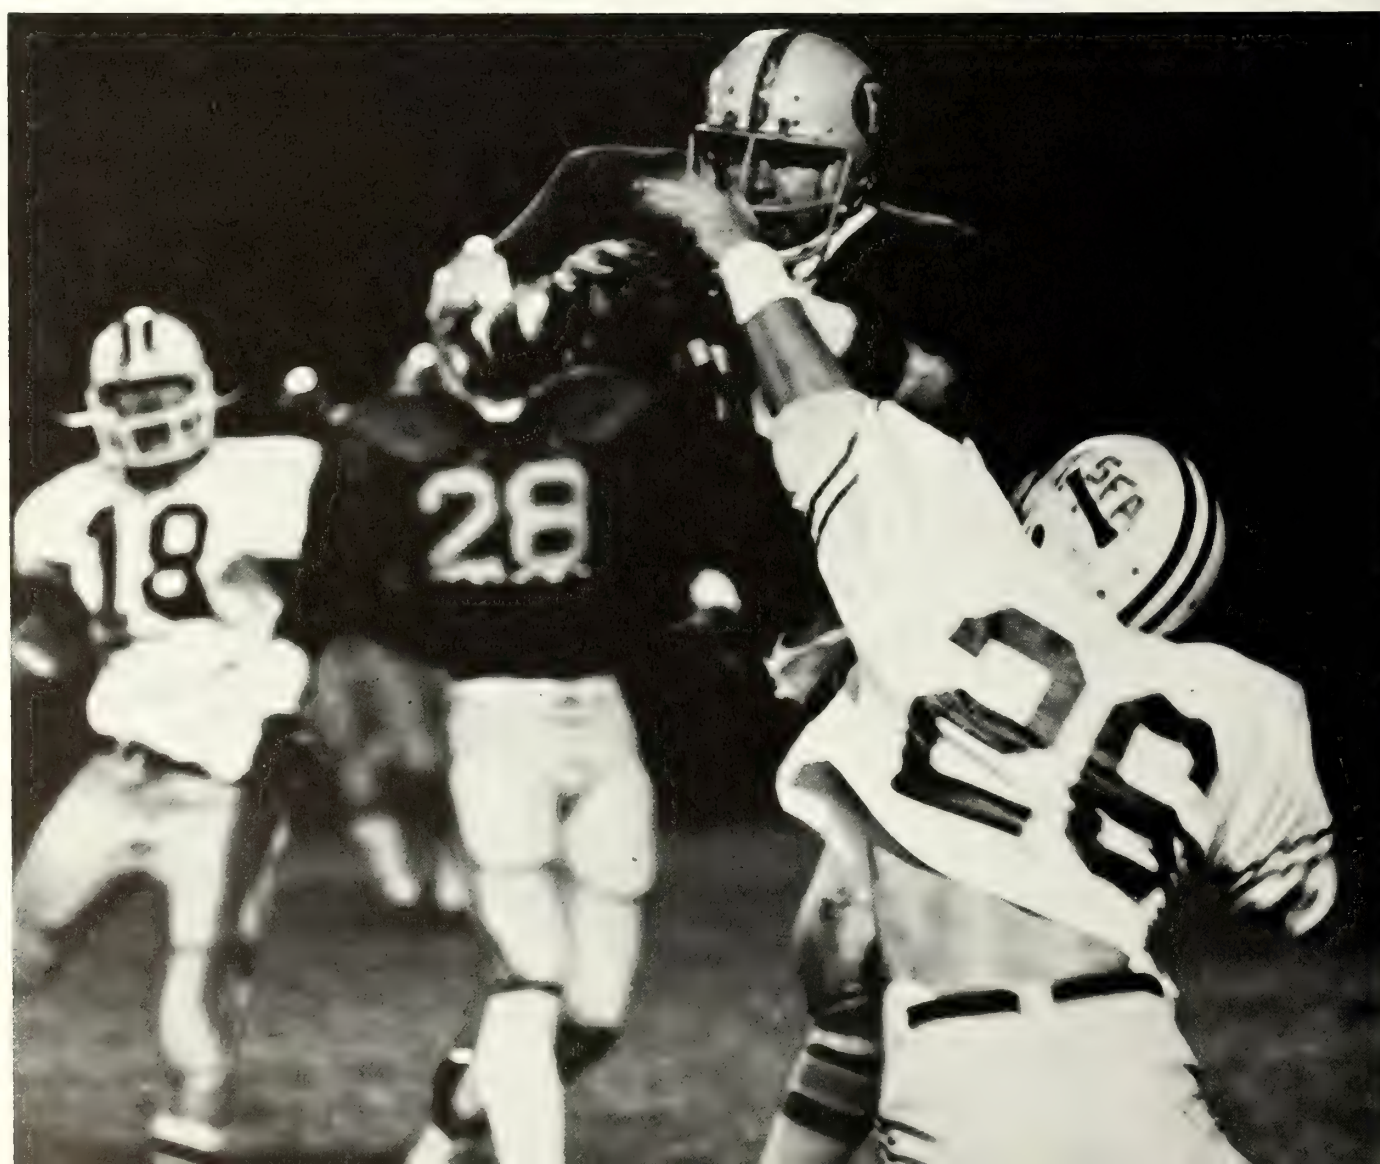

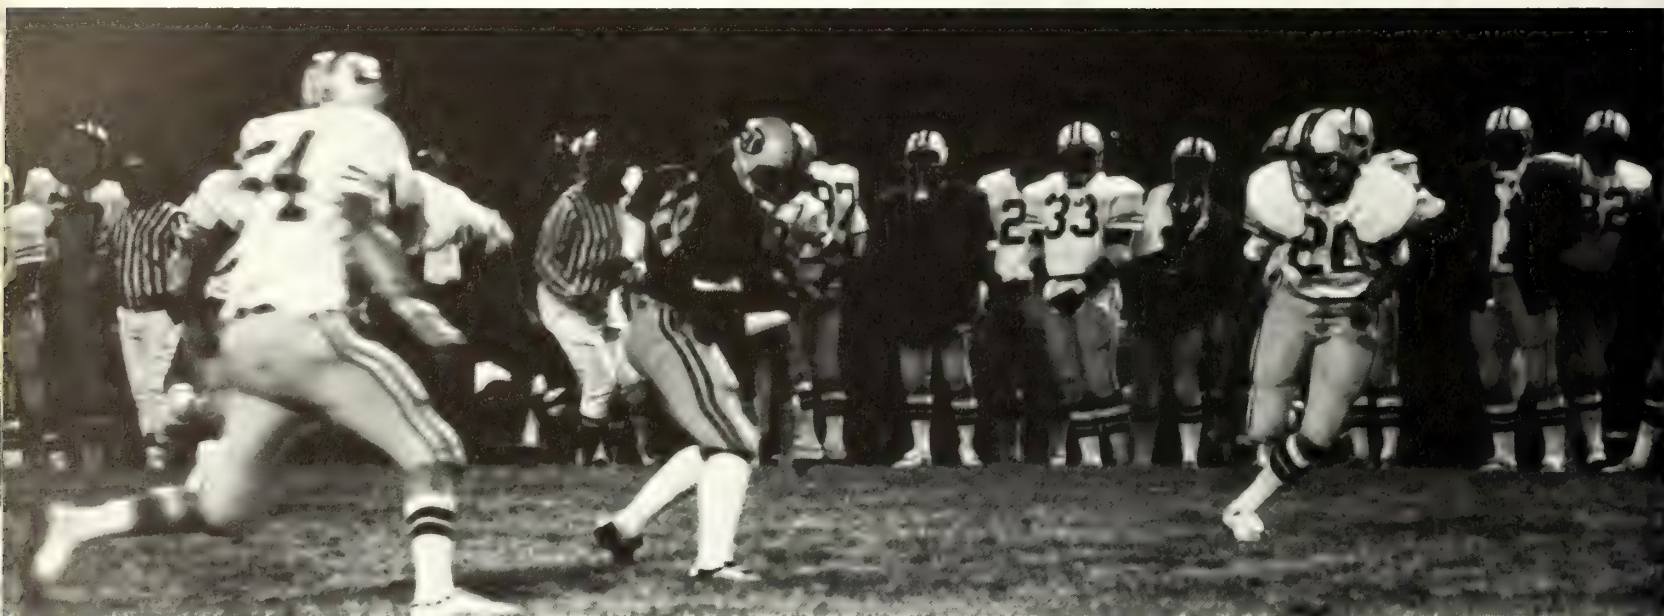

Coming from a big Homecoming victory, SFA was set up for a letdown by a successful East Texas State University team, which had handed Texas A&I its first defeat in 47 games the previous week.

The ET Lions took a 23-0 lead in the first half as the Jacks

could not get untracked.

While driving toward the goal in the third quarter, Bobby Mitchell suffered a dislocated shoulder and was lost for the remaining games.

SFA 0, ETSU 35.

Sam Houston

Closing the season on a winning note, the Lumberjacks overtook the Sam Houston Bearkats.

Quarterback Herby Baker made touchdown passes of 78 and 67 yards to wide receiver Ricky Roberson in the first quarter.

Baker again passed to Roberson in the endzone but to no avail as the pass was called back.

Ed Barry kicked a 22-yard field goal and the Jacks coasted to a final game win.

Lumberjack Basketball

Front Row: Loddie Naymola, Larry Carr, Jeffery LaCroix, Kenny Mitchum, Steve Barringer. *Back Row:* John Jones, Greg Keller, Rick Dowdle, Mike Dukes, Don Manning, Tony Aimi, Kevin Wolfe, Sherman Kossie.

The SFA basketball Lumberjacks had a disappointing pre-season, winning less than 50 percent of their games. Most of the games were decided by a margin of eight points or less.

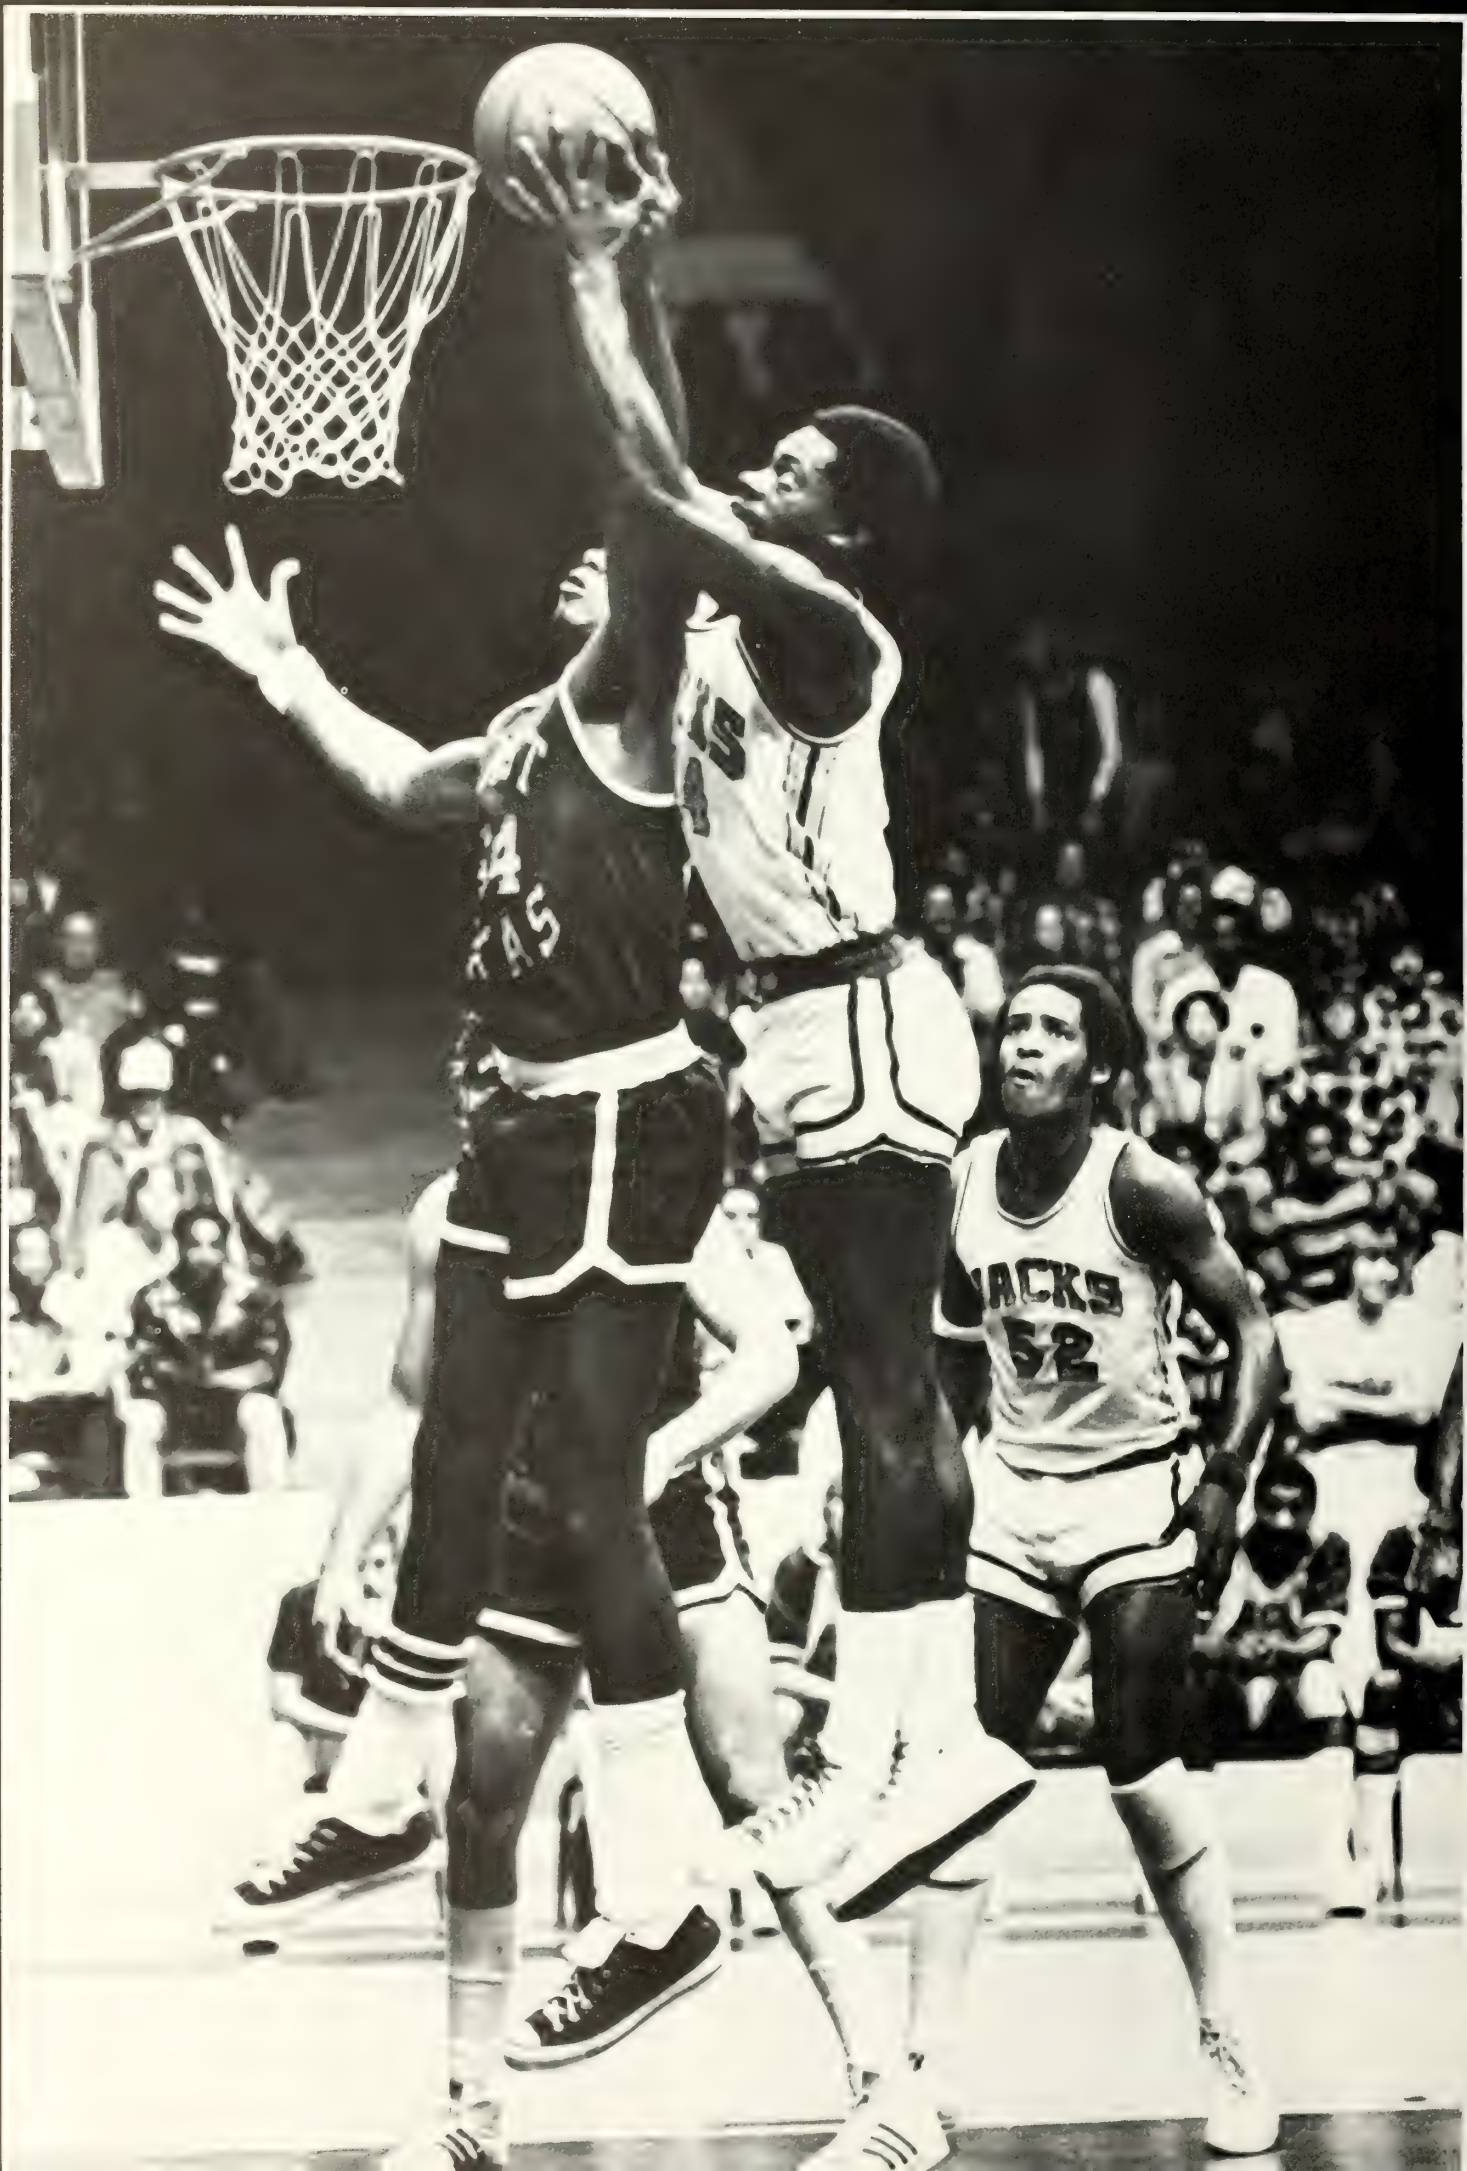

Wilbert Marshall, 6'9" center, was lost after the fall semester.

Rick Dowdle and Loddie Naymola averaged 12.4 points per game and Dowdle led the Lone Star Conference with a 6.6 average in assists.

Mike Dukes and Greg Keller each averaged 10.9 points per game.

The Lumberjacks played host to the Portuguese National Team Nov. 3 at the SFA Coliseum. The game was played under international rules and the Jacks showed the Portuguese the finer points of the game and won by a wide margin, 78-49.

The Lone Star Conference race started with some new faces for SFA. Junior college transfers and freshmen just becoming eligible seemed to add more ball control than the Jacks had in the pre-season.

The Jacks started the first half of the LSC season by winning three games. They then turned around and lost the next

three. The final game in the first half against Texas A&I, ranked 0-6 in conference play, turned the tide for the Jacks with a 95-72 win for a 4-3 record.

The Jacks relied on turnovers, pressure defense and good shooting to stay in the games. Mike Dukes was named LSC player of the week on Jan. 23.

Brown Retires

Marshall Brown, the winningest coach in SFA history, announced his retirement during the mid-portion of the LSC basketball season. Brown, who had compiled a 68 percent winning record during his 19-year career at SFA had more than 345 wins to his name. The Jacks under Brown won Lone Star Conference crowns in 1965, 1968, 1970, 1971, and 1972 as well as advancing to the national championships during these years. Brown was also named Coach of the Year in 1968, 1970 and 1972.

Under Brown, the Jacks set LSC conference records. The 1970-71 team averaged over 98 points per game and, during that season, also set a record for total points scored in a game as they defeated Howard Payne 140-123. James Silas, now

playing professional basketball with the San Antonio Spurs, was on that team.

Brown said his most memorable season was the 1969-70 season when the Jacks went undefeated for 29 games. The coach also remembered the 1971-72 season when the team's record was 31 wins and 3 losses, finishing third in the national championship.

He said he has no intention of continuing his coaching career. "There are many other things I'd rather do, including seeing my children and grandchildren more often," he said, adding that he will also devote much time to his farming and cattle business.

Coach Sue Gunter, Ladyjack basketball coach and director of athletics for women, faced a definite challenge when coming to SFA 14 years ago. But she overcame it to turn the women's basketball team at SFA into a national power. Recognized for her achievements by being selected as an assistant coach for the Silver Medal winning women's basketball team at the Montreal Olympics, Gunter has also served as head coach for the women's team that toured the Far East in 1976.

Her achievements have been many on the SFA campus as well. Under her direction, the Ladyjacks have won state titles in 1974 and 1977. They have also merited berths in national competition in 1972, 1973 and 1974.

Assisting Gunter this year was two-time Kodak All-American Doris Felderhoff, who led last year's Ladyjacks in rebounds and scoring.

The Ladyjacks lost to the University of Houston in the final seconds of the Texas Association of Intercollegiate Athletics for Women (TAIAW) East Zone Tournament Championship game Feb. 25, 1978. The second place finish advanced the Ladyjacks to the state championship tournament and qualified them for the regional tournament held on campus.

The Lumberjack Baseball Team under new coach Walt Wetdland will try to pick up where they left off last season and take the conference title.

Last season the Jacks lost the conference by one game to

Sam Houston State. This year the Jacks should do better than last as they are off to a fine start with fine pitching and hitting.

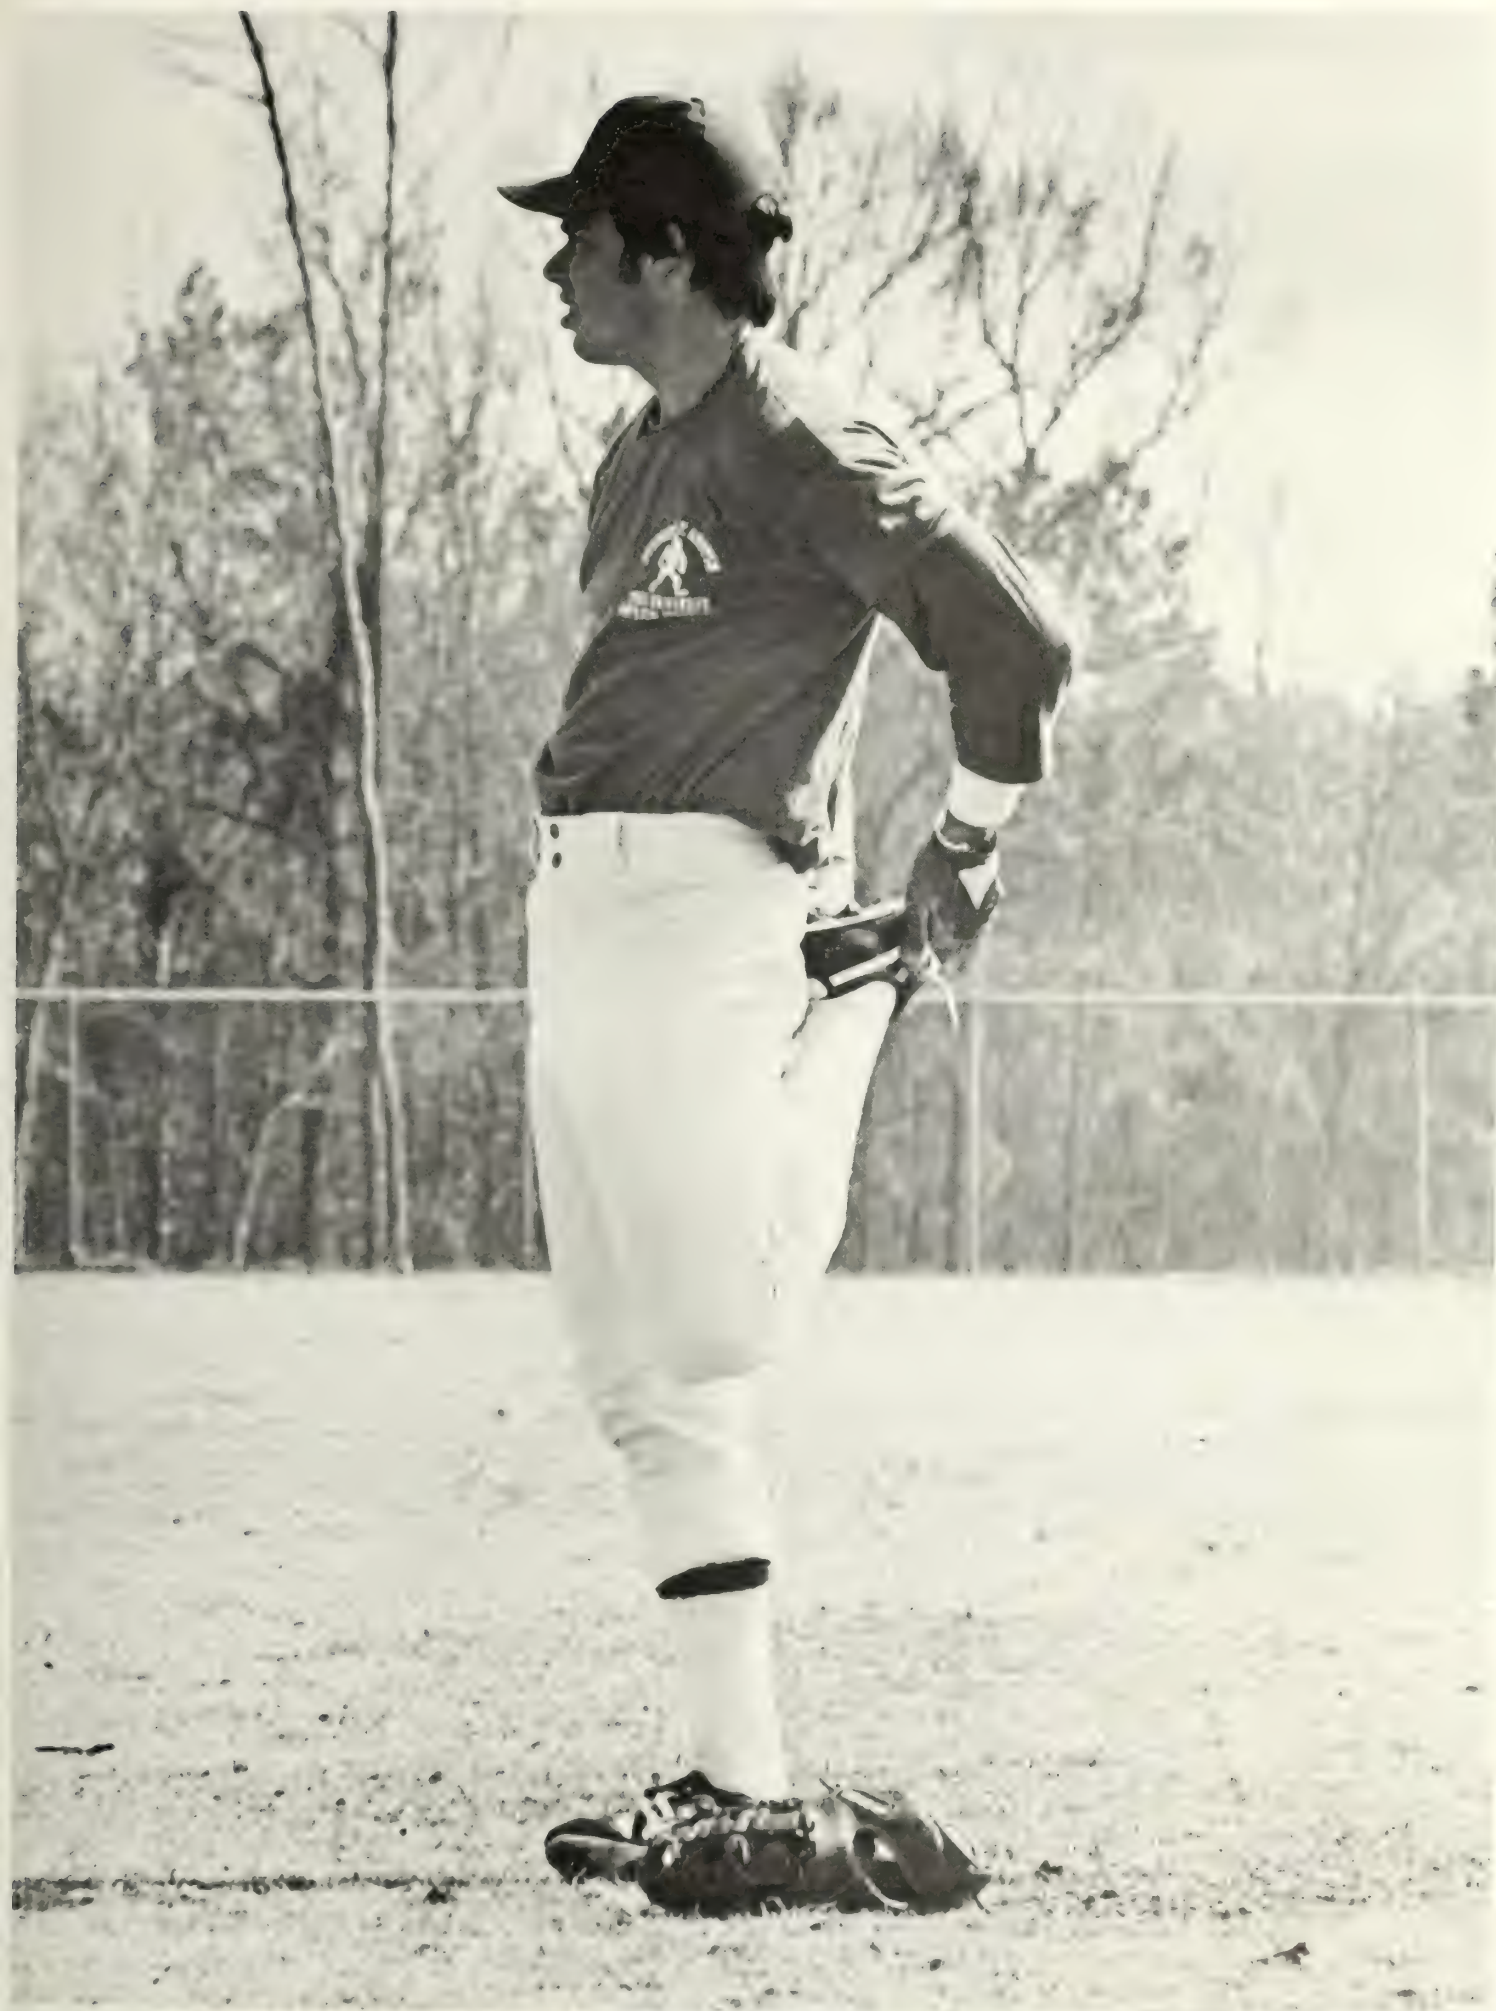

Leon Urbanski is the Jacks leading hitter and Mark Hampton is the leading pitcher.

The Ladyjack softball team for the fall season placed high in all tournaments. They placed second in three tournaments, third in another and fifth in the state championship in Denton.

The spring season was the first for the team to compete in regional and national contests.

Volleyball

In her first year at SFA, Charlotte Guynes faced the challenge of taking a young, inexperienced volleyball team against some of the toughest competition in the country. Teams from Texas are perennial national powers in women's volleyball.

The season record, 14 wins against 27 defeats in match play, failed to show that most matches were very close. With 8 of the 14-member team freshmen, Coach Guynes said she feels that this team could play with the best teams nationally as they gain experience in competition.

The Ladyjack Track Team returns all but two runners who last year qualified in five events for the National Championship Meet in Los Angeles, Calif.

Mary Harvey, Overton senior, placed fourth in the 400 meter run. Harvey was also on the fifth place Medley Relay Team with Linda Arnold, Donna Cother, Jimmie Morrow, and Lynne Werner.

Ella Faye Abercrombie, Nacogdoches senior, should again qualify for the nationals. Last year she qualified in every meet except one, but emergency surgery kept her from going.

Carol Nichols, Palestine freshman, is a new addition to the ladyjack squad specializing in the high jump. Nichols was the Texas 3-A High Jump Champion.

The Lumberjack Golf Team Hosted the Woodland Hills Invitational Golf Tournament during February. The SFA A Team placed second. The B Team was leading after the first round but faltered during the final round.

Competition begins in April for the Lone Star Conference Title. The team is very optimistic about their chances this year.

Ladyjack Golf

The youngest of Ladyjack sports is the golf team. In the third year of competition and second season of scholarship availability, the team struggled to establish themselves as a vital link in the program.

Although young and inexperienced, the building process gained a higher level of competition.

Ladyjack golfers participated in some of the nation's most prestigious tournaments including the Betsy Rawls Invitational at the University of New Mexico and the Suzie Maxwell Berning Invitational at the University of Oklahoma.

Eight teams came to Nacogdoches' Woodland Hills Golf Course in the spring for the Third Annual Ladyjack Invitational, as the Ladyjacks played host to top statewide competition.

SFA President

Dr. William R. Johnson, the fourth President of Stephen F. Austin State University, has been serving in his position here since July, 1976. Dr. Johnson served in administrative capacities at Texas Tech in Lubbock and received his Ph.D. in History at the University of Oklahoma. Dr. Johnson, in his position as President of SFA, is in constant contact with all aspects of University life. He works with other administrators on school policy and future plans for SFA, trying at all times to better SFA and what it has to offer to its students.

Business

The School of Business, under Dean Frank J. Lauderdale, directs the guidance of students planning to major or minor in accounting, business education, computer science, economics, finance, general business, management or office administration. The undergraduate program is fully accredited by the American Asseble of Collegiate Schools of Business.

Special facilities of the school include computer terminals, statistics and behavioral science laboratories, and the Bureau of Business and Economic Research. Students gain practical experience through Internship programs and the Small Business Institute program sponsored in conjunction with the Small Business Administration.

Education

The School of Education has the largest undergraduate enrollment at SFA. The school is under the direction of Dean Robert T. McKibben and consists of the Departments of Agriculture, Elementary Education, Home Economics, School Services and Secondary Education. All programs in the University that lead to certification for teaching or for school service are co-ordinated through the School of Education. Facilities of the School include the Norton HPE Complex, Early Childhood Laboratory, educational television studios and audio visual room, and the Speech and Hearing Clinic.

Dean Robert T. McKibben

Fine Arts

The School of Fine Arts is comprised of the Departments of Art, Communication, Music and Theatre. Each department offers degrees in specific areas such as commercial art or journalism and also degrees for those wishing to teach fine arts.

The school also seeks to serve the needs of students and promote the cultural growth of SFA by such events as theatre productions, art exhibits, and the publication of The Pine Log and Stone Fort.

The School of Fine Arts is under the direction of Dr. William M. Turner.

Dean William M. Turner

Forestry

Since SFA is located in the deep East Texas, people often associate the University with the School of Forestry. The SFA School of Forestry has a reputation for being one of the nation's top forestry schools. Forestry is SFA's only division accredited at the doctoral level. The school offers eleven programs leading to a degree in forestry and four graduate programs.

The faculty is under the direction of Dr. Kent Adair. The school's facilities include the forestry field station, an experimental forest, and an undergraduate reading room.

Dean Kent Adair

Liberal Arts

"The core of the educational experience is found in the liberal arts," said Dr. James V. Reese who became dean of the school this year. While the liberal arts do not have direct vocational ends, they teach people to read, write, and think. Combined with studies in science and mathematics, liberal arts form the base of the traditional college education.

The school contains the Departments of English and Philosophy, Geography, History, Modern Languages, Political Science, Psychology, Sociology, and offerings in Bible.

Sciences and Mathematics

The School of Sciences and Mathematics is headed by Dr. Glen T. Clayton and contains the Departments of Biology, Chemistry, Geology, Mathematics and Statistics, Military Science, and Physics. The school offers graduate programs in each department and fifteen pre-professional programs.

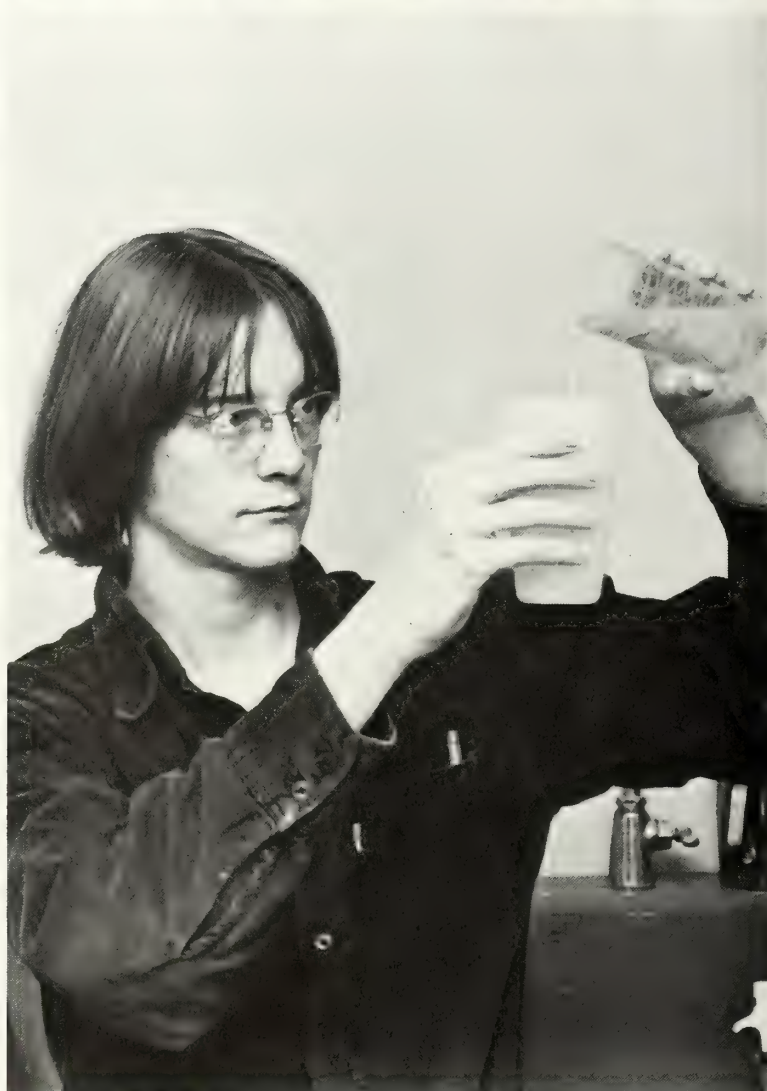

The school's facilities include the astronomy observatory, statistics laboratories, an electron microscope, and a complete x-ray Laboratory.

Dean Glen T. Clayton

Graduate School

The graduate school is under the direction of Dean Edwin W. Gaston, Jr. The University offers the Master of Arts, Master of Fine Arts, Master of Business Administration, Master of Business Education, Master of Education, Master of Forestry, Master of Science, and the Master of Science in Forestry degrees as well as the Doctor of Forestry. Through a co-operative program with Texas A&M, students may earn a Ph.D. in Forestry.
